Filed: herewith

Titl : PROTECTIVE PEPTIDES OF NEUROTOXIN OF C. BOTULINUM

Hon. Commissioner of Patents  
and Trademarks

Washington, D.C. 20231

New Patent Application

Sir:

Transmitted herewith is a patent application entitled  
"PROTECTIVE PEPTIDES OF NEUROTOXIN C. BOTULINUM". The inventor is  
Mark Dertzbaugh

Enclosed are 18 pages of specification (including the claims),  
7 claims (3 independent) and 1 page of abstract. Applicants  
request, in accord with 37 CFR 1.53 (a) and (b), that a serial  
number and filing date be assigned to the application as of the  
date of receipt of the presented papers. An executed Declaration  
and the filing fee will be forwarded in due course.

Please send all correspondence to:

Glenna Hendricks, Esq.  
P.O. Box 2509  
Fairfax, VA 22031-2509

Please direct all telephone calls to Glenna Hendricks, (703)  
425-8405.

Respectfully submitted;

  
Glenna Hendricks, Reg. No. 32,535
